### TRADE LOSSES

**Paraguay**

- **Estimated losses to the sound recording/music industry include both domestic piracy in Paraguay and estimated losses caused by transshipment.**

**BSA’s trade loss estimates represent losses to U.S. publishers only, and differ from the BSA trade loss numbers generally released by that association which reflect global losses to (a) all software publishers in that country and (b) all software publishers in that country and (b) all software publishers in that country.**

**OCR** means that a Special 301 “out of cycle review” will be conducted by USTR later in 2002.

**GSP petition** means that IIPA has submitted a petition before the GSP Subcommittee for its acceptable to initiate a review.

**GSP** means a review of this country’s intellectual property rights practices is currently underway.
